A special notice to all- please be aware of the scams that are surfacing during this crisis.  
The Ohio Attorney General warns-

Do not engage with those offering door to door testing.

Do not give personal or financial information for purchasing Covid-19 products or supplies-verify the legitimacy of these companies.

Avoid clicking on pop-ups or suspicious links in your emails.

Do not open suspicious emails or from unverified sources claiming to be the Centers for Disease Control and Prevention (CDC)- the legitimate site is CDC.gov

Do not respond or send funds to sources that aren't reliable. Government offices do not request your social security or personal/financial information over the phone.
